E-mail: mohamed.khalafallah@agr.au.edu.eg

☞ Home Address:

Assiut University
Faculty member's house
Assiut, EGYPT
Tel.: +2 (088) 2412588

☞ Personal Information:

Full Name : Mohamed Abd EI-Whab Mohamadeen Abo-Nahoul
Marital Status : Married
Nationality : Egyptian
Languages : Arabic - English
Date of Birth : 1 /1/1959
Place of Birth : Naga-Hammady County, Qena Governorate.
Present Job : Professor of Agriculture Economic, Assiut University, EGYPT.

☞ Academic Qualifications:

Ph. D. : Agricultural Economics, Assiut University, Assiut, EGYPT, 1992.
Title : "The Role of Agriculture and Its Future in the Egyptian Economy".
M. Sc. : Agricultural Economics, Assiut University, Assiut, EGYPT, 1987.
Title : "Analytical Study for the effect of Non - Farm Income on Agricultural Investments in Naga- Hammady County, Qena Governorate".
B. Sc. : Agricultural Economics, Assiut University, Assiut, EGYPT, 1982.
Major : Agricultural Economics.
Minor : Sustainable Development and Management of agricultural Resources.

? Languages:

Mother tongue : Arabic

Fluent : English

? Work Experience:

2008-2014 : Dean of Faculty of Agriculture in Assiut University, EGYPT

2006-2007 : Vice Dean of Faculty of Agriculture in Assiut University, EGYPT

2003-Pres : Professor, Department of Agricultural Economics, Assiut University, Assiut, EGYPT.

1998-2003 : Associate Professor, Department of Agricultural Economics, Assiut University, Assiut, EGYPT.

1992-1998 : Assistant Professor, Department of Agricultural Economics, Assiut University, Assiut, EGYPT.

1987-1992 : Assistant Lecturer, Department of Agricultural Economics, Assiut University, Assiut, EGYPT.

1983-1987 : Research Assistant, department of Agricultural Economics, Assiut University, Assiut, EGYPT.

? Fellowships:

Period : 20 / 6 / 2000 – 20 / 12 / 2000

Country : Japan

University : Tsukuba University

Institute : Agriculture and Forestry

Department : Agricultural Economics & Agribusiness

? Membership of Scientific Associations:

- 1- Member of the Executive Office of the Association of Deans of Colleges of Agriculture Arabs
- 2- Member of the Egyptian Association of Agricultural Economists.
- 3- Member of Association of Agricultural Economists Arabs.
- 4- Member of the Society of Agricultural Engineers Arabs.
- 5- Member of Association for International Agriculture and Rural Development (AIARD).
- 6- Member of Association the International Development Evaluation Association (IDEAS).
- 7- Member of European Academy for Education and Social Research.

? Membership of scientific journal:

- 1- Editor of Assiut Journal of Agricultural Sciences.
- 2- Member of the editorial board of the Federation of Arab Universities of Agricultural Sciences.

Scientific Awards:

- 1 - The prize for best research in the field of Economic and Social Sciences, University of Assiut.2001.
- 2 - The prize for best research in the field of Economic and Social Sciences, University of Assiut.2003
- 3 - The prize for best research in the field of Economic and Social Sciences, University of Assiut.2006

Teaching Experience:

(i) Under Graduate Courses:

- 1- Statistics of Agricultural Economics
- 2- Animal Production Economics
- 3- Food industries Management
- 4- Agricultural Marketing and Co-Operation
- 5- Agricultural Projects Management
- 6- Agricultural Economics
- 7- Principals Economics
- 8- Consumption Economics of Agricultural Products

(ii) Graduate Courses:

- 1- Applied Statistics
- 2- Microeconomics
- 3- Macroeconomics
- 4- Linear Programming
- 5- Feasibility Studies for Animal Production Projects
- 6- Economic Development and Planning
- 7- Computer Aiding Agricultural Economics

Research Projects:

- I. Economic Evaluation of Fertilizer Requirements for Important Field Crops in Upper Egypt, (Project No. O94 FC 15), Ministry of Agriculture and Land Reclamation, National Agriculture Research Project.

2. Egypt California Project Small Farmer and Agricultural Intensification Project, Ministry of Agriculture and Land Reclamation, National Agriculture Research Project.
3. Future of Cultivating Cotton in Assiut Governorate under the Free Economic Policy, (Project No. 7 Ministry of Agriculture and Land Reclamation, National Agriculture Research Project.
4. Current and Prospective Response to the New Relationship between Owners and Tenants of Agricultural Lands (A Study on Assiut Governorate), (Project No.8), Ministry of Agriculture and Land Reclamation, National Agriculture Research Project.
5. Study of Some Socio-Economic and Psychological Changes in Some Village in the Middle Egypt, (Project No.11), Ministry of Agriculture and Reclamation, National Agriculture Research Project.
6. Establishing a New Master Degree in Sustainable Crop Protection, Project 158748-TEMPUS- 1-2009-1-IT- TEMPUS- JPCR, , Faculty of Agriculture, Assiut University.
7. Assiut University Center for Desert Farming, Assiut Governorate, Project Funded by the Ministry of International Cooperation of the Convention on the proceeds of sales of the item (416- B), signed between the governments of the Arab Republic of Egypt and the United States of America, 2011/2012.
8. Better Management of Land and Water Resources in The New Valley Governorate, Project Funded by the Ministry of International Cooperation of the Convention on the proceeds of sales of the item (416- B), signed between the governments of the Arab Republic of Egypt and the United States of America, 2011/2012.

Scientific conferences and symposia:

1. Seminar "GATT and the Egyptian Agriculture", held in headquarters of the Egyptian Society of Agricultural Economics in Cairo, Egypt, Thursday, 28 July, 1994.
2. Seminar "Agricultural export strategy in light of the local and global variables", held in Faculty of Agriculture, Assiut University, Egypt, from 10 - 11 April 1996.
3. The annual conference of "Statistics and Computer Science and Operations Research", held in Institute of Statistical Studies and Research, Cairo University, Egypt, from 14-16 December 1996.

4. Seminar on "Industry Sugar and Integrated Industries Present and Future", organized by Institute for the Study and Sugar Technology Research at Assiut University collaboration with the Sugar and Integrated Industries Company and Delta Sugar Company and Dakahlia Sugar and the Supreme Council of sugary crops, held in Luxor City, Egypt, from 16 – 19 December 1996.
5. Seminar on "Graduate Studies and Research for Development in the South Valley", held in Faculty of Agriculture, Assiut University, Egypt, from 2 - 3 March 1997.
6. Thirteenth Annual Scientific Conference "strategies, funding institutions and development ambitions", Faculty of Commerce, Mansoura University, held in Cairo, Egypt, from 1 - 2 April 1997.
7. The third annual conference of Centre for Future Studies at Assiut University entitled "Arab water and the challenges of the twenty-first Century", held in Assiut University, Egypt, from 24 - 26 November 1998.
8. The International Conference on "Industry Sugar and Integrated Industries Present and Future", Organized by Institute for the Study and Sugar Technology Research at Assiut University cooperation with the sugar companies and Egyptian Supreme Council of crops sugary, held in Luxor, Egypt, from 15 - 18 February 1999.
9. Seminar on "Egyptian agricultural foreign trade in the light of contemporary international variables", Organized by Department of Agricultural economics, Faculty of Agriculture, Assiut University collaboration with the Egyptian Society of Agricultural Economics, held in the International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, 6 April, 1999.
10. The Second Scientific Conference of Agricultural Sciences, organized by Faculty of Agriculture, Assiut University, held in the International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, from 28-30 October 2000.
11. The International Conference of "The Role of the Arab region in the world sugar economy" organized by the International Sugar Organization in conjunction with the Institute for the Study and Sugar Industry Technology Research at Assiut University, held in Luxor, Egypt, from 18-21 February 2001.
12. The third Scientific Conference of Agricultural Science, organized by Faculty of Agriculture, Assiut University, held in the International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, from 20 - 22 October 2002.

13. The International Conference on "The Arab region and Africa in the system of world sugar", organized by Institute for the Study and Sugar Industry Technology Research, Assiut University, partnership with the World Organization for sugar and sugar companies national and the Ministry of Agriculture (Sugar Crops Council), held in Aswan, Egypt, from 9 - 12 March 2003.
14. Seminar on "Agricultural development in the Arab world (obstacles and solutions)", held in the International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, from 20 - 22 January, 2004.
15. The Fourth Scientific Conference of Agricultural Sciences, Faculty of Agriculture, Assiut University, held in the International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, from 7- 9 December, 2004.
16. The International Conference on "Political and economic challenges and technological Industry Sugar and Integrated Industries complementarity in the Arab region and the Middle East, Africa and the European Union", organized by the International Sugar Organization conjunction with Institute for the Study and Sugar Industry Technology Research at Assiut University, sugar companies national and the Ministry of Agriculture (Sugar Crops Council), held in Hotel Palestine, Alexandria, Egypt, from 3-6 April, 2005.
17. The second Syrian-Egyptian conference "Agriculture and Food valuable Arab world (reality and the challenges of the future)", organized by the Baath University and the Minya University , held in the Baath University, Syria, from 25-28 April, 2005.
18. Seminar on "The World Bank and the development agenda in Egypt", held in discussions Hall, administrative building, Assiut University, from 13-15 March, 2006.
19. The First International Conference "Food industries and biotechnology", held in The Faculty of Agriculture, Al-Baath University, Syria, from 25 – 27 November, 2008.
20. The International Conference "Global Trends of sugar crops as sources of food and energy," collaboration between Institute for the Study and Research Technology sugar industry, Assiut University and the World Organization for sugar and sugar companies' national, held in Hotel Isis, Luxor, Egypt, from 1-4 March, 2009.
21. The conference "Arab food security", organized by Faculty of Agriculture, Khartoum University, collaboration with the Association of Colleges of Agriculture, held in Faculty of Agriculture, Khartoum University, Sudan, from 17-19 March 2009.

22. The Third Scientific Conference of young researchers, organized by Faculty of Agriculture, Assiut University, held in International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, 28 April 2009.
23. The International Conference "Rationalization of water use in dry areas," organized by the Water Research Centre, King Abdul Aziz Al Saud University, held in King Abdul Aziz Al Saud University, Jeddah city, Kingdom Saudi Arabia, from 10 - 12 October, 2009.
24. The Fifth Saudi Conference for Food and Nutrition "Food technology, control and healthy nutrition", organized by the Saudi Society for Food and Nutrition, held in King Saud University, Riyadh city, Kingdom Saudi Arabia, from 9 - 11 February, 2010.
25. The Fifth International Conference "Environment and Development in the Arab World", organized by Environmental Studies and Research Center at Assiut University, held in Assiut University, Egypt, from 21 - 23 March 2010.
26. The Fourth Scientific Conference of young researchers, Faculty of Agriculture, Assiut University, held in International Conference Hall, Faculty of Agriculture, Assiut University, Egypt, 27 April 2010.
27. The Second World Scientific Conference "medicinal plant cultivation and use prospects", organized by Shobak University College, Al-Balqa Applied University. Held in the port of Petra, Jordan, from 3-4 November 2010.
28. The International Conference "Sustainable use of water to secure food production in the Mediterranean region under conditions of climate change" organized by the Hassan II Institute of Agriculture and Veterinary Medicine, held in the Hassan II Institute of Agriculture and Veterinary Medicine, Agadir city, Morocco, from 10-15 March 2013.

Workshops:

1. Workshop on "Methods of assessment of students and good exam specifications", held in Faculty of Agriculture, Assiut University, Egypt, 31 December, 2008.
2. Workshop on "standard academic standards", held in Faculty of Agriculture, Assiut University, Egypt, from 18-19 October, 2008.
3. workshop on "the design of programs of study and academic guidance", held in Faculty of Agriculture, Assiut University, Egypt, 12 April, 2009.
4. Workshop on "participatory planning and management of natural resources to cope with climate change", organized by International Union for Conservation of Nature (IUCN), Regional Office for West Asia and the Islamic Educational Scientific and

- Cultural Organization (ISESCO), held in Sharm el-Sheikh city, Egypt, from 19-23 June, 2011.
5. Workshop on "Climate Change" organized by the Islamic Educational Scientific and Cultural Organization (ISESCO) and the United Nations Program for the Environment, held in Jeddah city, Kingdom Saudi Arabia, from 29-31 April, 2011.
 6. Workshop on "expert meeting and workshop regional adaptation based on the ecosystem", organized by the Islamic Educational, Scientific and Cultural Organization (ISESCO), held in the city of Jeddah, Kingdom Saudi Arabia, from 30 April-2 May, 2012.
 7. Workshop on "Strategy Arab Republic of Egypt to adapt to climate change and environmental protection", organized by the Islamic Educational, Scientific and Cultural Organization (ISESCO) cooperation with the Egyptian National Committee for Education Science and Culture, Ministry of Higher Education, held in Cairo city, Egypt, from 22-24 December, 2012.
 8. Workshop on "How to strengthen government capacity for disaster risk reduction and adaptation to climate change", organized by International Union for Conservation of Nature (IUCN), Regional Office for West Asia and the Islamic Educational Scientific and Cultural Organization (ISESCO), held in Sharm el-Sheikh city, Egypt, from 24-28 February 2013.
 9. Workshop on "Institutional Change Processes & Lessons Learnt for Climate Change Resilience", organized by International Union for Conservation of Nature (IUCN), Regional Office for West Asia and the Islamic Educational, Scientific and Cultural Organization (ISESCO), held in Marrakesh, Morocco, from 27-29 April, 2013.

☒ Training courses and seminars:

1. Training course in the field of "exploitation-products and residues of the sugar industry", organized by Institute for the Study and Sugar Technology Research at Assiut University cooperation with the Arab Organization for Industrial Development and Mining of the Arab League, held in Assiut University, Egypt, from 12 - 31 October, 2002.
2. Training session on "Characterization courses and academic programs," held in Faculty of Agriculture, Assiut University, Egypt, from 26-29 April, 2009.
3. Training course on "Effective communication skill", held in Faculty of Agriculture, Assiut University, Egypt, 16 August, 2009.
4. Training course on "scientific method of writing reports and memos", held in Faculty of Agriculture, Assiut University, Egypt, 15 September, 2009.

5. Training course on "Time Management-Meeting Management - Managing the pressures of work", held in Faculty of Agriculture, Assiut University, Egypt, August and September, 2009.
6. Training course on "diagnosis and problem-solving skills and decision-making", held in Faculty of Agriculture, Assiut University, Egypt, September, 2009.
7. Seminar entitled "President Relationship with workers ", held in Faculty of Agriculture, Assiut University, Egypt, 15 November, 2008.
8. Seminar entitled "job description", held in Faculty of Agriculture, Assiut University, Egypt, 16 November, 2008.
9. Seminar entitled "E-Learning", held in Faculty of Agriculture, Assiut University, Egypt, 18 November, 2008.
10. Seminar entitled "How to Set Up Strategic Plan", held in Faculty of Agriculture, Assiut University, Egypt, 19 November, 2008.
11. Seminar entitled "Leadership", held in Faculty of Agriculture, Assiut University, Egypt, 2 December, 2008.
12. Seminar entitled "philosophy of quality and Leading Change", held in Faculty of Agriculture, Assiut University, Egypt, 18 January, 2009.
13. Seminar entitled "Intellectual Property Rights", held in Faculty of Agriculture, Assiut University, Egypt, 21 January, 2009.
14. Seminar entitled "resistance to change", held in Faculty of Agriculture, Assiut, University, Egypt, 24 January, 2009.
15. Seminar entitled "Building and the leadership of the research team", held in Faculty of Agriculture, Assiut University, Egypt, 8 November, 2009.
16. Training course "The art of self-management leadership of others", held in Faculty of Agriculture, Assiut University, Egypt, 13 March, 2010.
